About Richard Sherman

Richard Sherman joined MKM Partners in January 2007 as the Managing Director of Equity Research. Prior to joining MKM, Mr. Sherman managed the institutional equity sales organization and was a corporate officer at Janney Montgomery Scott. Previously, he was a research analyst at Janney and Pennsylvania Merchant Group. His research coverage focuses on technology, and he has been recognized by Zacks, Starmine and as one of *The Wall Street Journal's* "Best of the Street" software analysts. Prior to his analyst career, he worked in the cable and satellite communications industries and served as a Naval Intelligence officer. Mr. Sherman holds an MBA from Georgetown University, where he was a Master Scholar, and a BA in Economics and International Relations from Lehigh University.

Mr. Sherman covers SOA Infrastructure/Technology companies for MKM Partners.
